Washington Electric Cooperative, Inc.
A Touchstone Energy® Cooperative 

Please complete all fields

Member's Name : _____ Phone : _____

Address: _____

City : _____ State : _____ ZIP : _____

By signing this application, I certify that the geothermal unit for which I am claiming a rebate meets all required criteria and is installed at the address listed above, which represents a valid cooperative electric account.

Member Signature: _____ Date: _____

\$600 REBATE

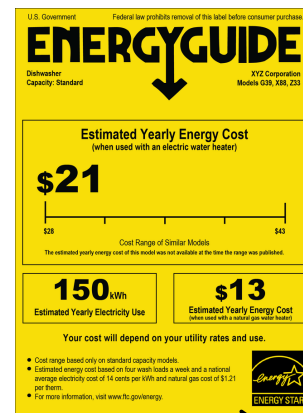

Requirements

New geothermal systems can qualify for a \$600 rebate from Washington Electric Cooperative when purchased and installed at a residential location served by the co-op. To qualify, the geothermal systems must meet the following requirements:

- Geothermal system must be ENERGY STAR qualified at the time of installation
- Closed Loop Minimum 17.1 EER; 3.6 COP
- Open Loop Minimum 21.1 EER; 4.1 COP
- Member must provide documentation proving ENERGY STAR rating and energy efficiency standards.

This rebate is only available to residential cooperative members.

Look for the ENERGY STAR logo on the yellow Energy Guide that comes with your appliance.
